## PRESS RELEASE

### Virtual Public Forum for Orange Avenue Overlay

**WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies (March 9, 2021) On Monday, March 15, from 5:30 to 7:30 p.m.,** the city's [Planning & Transportation Department](#) staff in conjunction with [Land Design](#) will host a virtual public forum regarding the Orange Avenue Overlay (OAO) District project. This meeting will focus on topics such as:

- Orange Avenue Overlay buildings
- Floor area ratio
- Scale
- Development programming
- Urban form

Orange Avenue is one of the city's main corridors that serves as a gateway to our community. The 2016 *Vision Winter Park* process and the Comprehensive Plan, updated in 2017, both addressed the need to evaluate all city corridors, including Orange Avenue.

Please access the city's official website to learn more about the [Orange Avenue Overlay project](#) and to [register](#) for the virtual public forum.
