WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies (January 5, 2021) The City of Winter Park [Community Redevelopment Agency](#) and [Electric Utility Department](#) are proud to announce the winners of the **2020 Holiday Window Contest**. Congratulations to first place winner **New General**, located at 155 E. New England Ave. New General will receive a \$500 electric utility bill credit from the city. Congratulations, also, to second place winner **BurgerFi**, located at 538 S. Park Ave. BurgerFi will receive a \$250 electric utility bill credit from the city.

As Winter Park learned new ways to thrive during the COVID-19 pandemic, the city presented many safe, socially distanced opportunities for guests to enjoy as they also supported local merchants and dining establishments. The new Holiday Window Contest featured 18 participating Park Avenue, Hannibal Square and surrounding area merchants as they transformed their storefronts into works of art with festive holiday displays.

Thank you to all of our residents and guests who voted for their favorite windows throughout this holiday season. For more information regarding the 2020 Holiday Window Contest, please email HWC@cityofwinterpark.org.

**The City of Winter Park wishes everyone
a very happy and safe New Year!**
