## PRESS RELEASE

### Community Canopy Program delivers free trees to Winter Park residents' doorsteps

**WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies (April 13, 2022)** The city's [Urban Forestry Division](#) has partnered with the [National Arbor Day Foundation](#) and [Florida Forest Service](#) to present the [Community Canopy Program](#), where Winter Park residents can order a FREE tree from Urban Forestry at [cityofwinterpark.org/urbanforestry](http://cityofwinterpark.org/urbanforestry). City residents have the option to choose from several different tree species including bald cypress, chaste tree, dahoon holly and sweetbay magnolia. The one-gallon tree will then be delivered directly to the resident's doorstep along with instructions on planting and care.

The National Arbor Day Foundation is the world's largest membership non-profit dedicated to planting trees. Its Community Canopy Program is designed to offer cities an easy solution for providing trees to residents in their communities.

Please join in the city's efforts to expand and maintain Winter Park's storied tree canopy by beautifying your property with a free tree that will benefit generations to come. It is important to always remember to choose the "right tree for the right location." For additional information regarding the right tree for your property, the city's tree canopy efforts, and the Community Canopy Program, please contact Urban Forestry at 407-599-3325 or email [urbanforestry@cityofwinterpark.org](mailto:urbanforestry@cityofwinterpark.org).
