PRESS RELEASE

Community Meeting scheduled to discuss potential Martin Luther King, Jr. Park enhancements

WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies (June 2, 2022) The City of Winter Park and its Community Redevelopment Agency (CRA) will host a community meeting on **Monday, June 13, 6 p.m.** in the Winter Park Community Center located at 721 West New England Avenue. The purpose of the meeting is to engage the community and solicit feedback on plans to enhance the quality of the city's Martin Luther King, Jr., Park. Discussion will include opportunities to add value for residents, families and guests by maximizing existing, appreciated elements in the serene setting which encompasses 23-acres of beautiful scenery, sports and recreation facilities, and a large playground.

Martin Luther King, Jr. Park has become enlivened and engaged most recently with the grand opening of the city's new Library & Events Center which overlooks Lake Mendsen and the 23-acre park. In recent years, the CRA has worked to establish parameters for public investment into the park, including a memorial corner near the intersection of South Denning Drive and West Morse Boulevard, and an overall park concepts package.

For additional information regarding the upcoming community meeting, please contact the Parks & Recreation Department at 407-599-3334 or email MLKParkReno@cityofwinterpark.org
