PRESS RELEASE

The community is invited to the inaugural Sustainability Fair & EV Car Show

WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies

(September 9, 2022) In recognition of National Drive Electric Week, the city's Natural Resources & Sustainability Department will present its inaugural **Sustainability Fair & EV Car Show, Saturday, September 24, from 9 to 11 a.m.** in Central Park West Meadow adjacent to the United States Post Office. City officials will share remarks at 9:30 a.m.

In addition to electric bicycles, motorcycles and over 30 electric vehicles on display, the event will feature an array of sustainability vendors such as [15 lightyears](#), [ChargePoint](#), [Keep Winter Park Beautiful & Sustainable Advisory Board](#), [League of Women Voters of Orange County](#), and [Winter Park Library](#). To help everyone stay cool as they learn about current sustainability best practices, FREE [Kona Ice®](#) will be offered in all their delicious flavors.

Since Winter Park is proud of its pristine chain of lakes, a special feature will be the display of a [Super Air Nautique GS22E](#) ski boat. This first of its kind, revolutionary, full-electric, multi-sport towboat powered by Ingenity delivers the ultimate on-water experience with zero emissions. It was also awarded Boat of the Year 2021 by [Boating Magazine](#).

The City of Winter Park's Natural Resources & Sustainability Department is responsible for the overall operation and management of sustainability as well as management and regulation compliance for the city's lakes. For more information regarding the Sustainability Fair & EV Car Show, please contact sustainability@cityofwinterpark.org or 407-599-3450.
