PRESS RELEASE

Homeowners' seminar to help navigate home construction and renovation

WINTER PARK, FL (May 1, 2025) In recognition of [Building Safety Month](#), the City of Winter Park's [Building & Permitting Services Department](#) will host a seminar titled **"Navigating Home Construction & Renovation," Tuesday, May 27, from 7 to 8 p.m.**, in the Murrah Community Room at the Winter Park Library located at 1052 W. Morse Blvd. This seminar is ideal for anyone planning to build or renovate a home in Winter Park. Attendees will gain valuable insights to help make informed decisions throughout the construction or renovation process. Department staff will guide participants through key topics including permitting procedures, zoning regulations and best practices for ensuring a smooth and successful project. **Registration is required** for this seminar by accessing the [Navigating Home Construction & Renovation](#) event listing.

Recently, Winter Park Mayor Sheila DeCiccio issued a proclamation recognizing [Building Safety Month](#), and promoting awareness of safe building practices at all levels. The city's Building & Permitting Services Department plays a vital role in protecting public safety, health, and general welfare through the enforcement of building codes, and Federal and State local ordinances.

For all editions of the Florida Building Codes, please access floridabuilding.org. For questions regarding the Navigating Home Construction & Renovation seminar, please contact the Building & Permitting Services Department at permits@cityofwinterpark.org or [407-599-3237](tel:407-599-3237).
