PRESS RELEASE

Natural Resources & Sustainability to host Electric Avenue EV Car Show Saturday, September 27

WINTER PARK, FL (September 19, 2025) In recognition of [National Drive Electric Month](#), the City of Winter Park's [Natural Resources & Sustainability Department](#) is proud to host its **4th Annual EV Car Show Saturday, September 27**, from **9 to 11 a.m.** The event will take place in Central Park and along Park Avenue, between Morse Boulevard and Canton Avenue. Official remarks and presentations will begin at 9:45 a.m. featuring city representatives, [Keep Winter Park Beautiful & Sustainable](#) (KWPB&S) gold level sponsor Optimus Energy Solutions and bronze level sponsors Cadillac® and McLaren® Orlando.

Park Avenue will transform into *Electric Avenue*, showcasing over 35 electric vehicles, including the 2025 Cadillac® Escalade IQ and VISTIQ, McLaren® Orlando's Artura and electric bikes. Orange County Public Schools will also present their electric school bus and newest Sustainability In-Action Electric Van, which provides educational in-school field trips on energy conservation, water conservation, solar energy, recycling, gardening and indoor health.

Don't miss this exciting opportunity to learn about electric vehicles, sustainable living and enjoy a morning of fun for everyone. Family activities include:

- KWPB&S table with giveaways and raffle prizes to be drawn at 10:30 a.m.
- Kids Zone with games, face painting, bounce obstacle course, music and more
- Animal Ambassadors from Amazing Animals, Inc.
- Bubble Bus Orlando
- FREE Kona Ice
- Sustainability booths and vendors
- E-bike and scooter safety demonstrations and bike helmet raffles from the Winter Park Police Department

This event is located near Winter Park's newest Mobility Hub, a forward-thinking component of the [Park Avenue Refresh](#) initiative. It reflects the city's commitment to building smart, sustainable infrastructure that serves both residents and guests. Special thanks to [Optimus Energy Solutions](#) for partnering with the Natural Resources & Sustainability Department on the Mobility Hub, located at the corner of Morse Boulevard and New York Avenue.

For more information regarding the [road closure](#) or **Electric Avenue EV Car Show**, please contact sustainability@cityofwinterpark.org or 407-599-3479.
