PRESS RELEASE

City offers additional yard waste pick-up this Saturday

WINTER PARK, FL (March 5, 2026) Due to the tremendous amount of landscaping and plants damaged by the recent freeze and the bulk items that are currently being placed curbside, Waste Pro® was unable to pick up all items during the regularly scheduled pick-up days. To make up for Wednesday's missed collections, the city has coordinated with Waste Pro to offer an additional pickup of yard debris, this Saturday, March 7.

Residents are encouraged to have any remaining debris placed curbside prior to Saturday to ensure it can be collected during this make-up service. Thank you for your patience and cooperation as we work to clear yard debris and keep the community clean.
