# PRESS RELEASE

## City encourages residents to participate in survey regarding Parks & Recreation Master Plan

**WINTER PARK, FL (March 27, 2026) Beginning Friday, March 27**, the city's [Parks & Recreation Department](#) will be conducting an online citywide survey to gather resident input on a variety of topics to help guide upcoming strategic planning decisions and the development of a master plan. Winter Park residents will be able to access a 10-minute survey at [planwinterparkparks.com](http://planwinterparkparks.com).

This important survey will help guide how parks, open spaces, recreation programs and facilities are planned, developed, and improved over the next decade. It will also help the city better understand community priorities and prepare for potential changes in state tax policy that may affect how the city funds future services. Residents will be asked questions regarding the types of improvements they want and what they would like to prioritize. Survey results will help create a priority blueprint for places in need of improvement, methods for growing responsibly, as well as programs and recreational opportunities the Winter Park community would like to see implemented.

Additional ways to remain involved in the Parks & Recreation Master Plan process include attending informational open-house style, interactive workshops at the following dates, times and locations:

- **WORKSHOP** Saturday, April 18 | 10 a.m. to noon  
Ward Park Pavillion @ 2222 Loch Lomond Drive
- **MEET A PLANNER** Saturday, April 21 | 8:30 to 11:30 a.m. & 4 to 6:30 p.m.
