PRESS RELEASE

Bulk days are here! FREE bulk trash collection event for Winter Park residents

WINTER PARK, FL (March 4, 2026) The City of Winter Park's Natural Resources & Sustainability Department, in partnership with [Waste Pro®](#), is pleased to announce its **Annual Bulk Trash Collection Event** (formerly known as the Spring Cleanup) during the month of May. This **FREE** curbside collection event gives Winter Park residents a convenient way to properly dispose of large, unwanted household items helping to **Keep Winter Park Beautiful**, clean and safe.

As residents begin to clean and organize their homes in preparation for spring, this event is the perfect opportunity to discard large items such as old furniture, broken appliances and other bulky items. To take advantage of this FREE service, residents must **place their eligible items curbside after 5 p.m.**, on the evening prior to their **second regularly scheduled household trash pickup day** during the assigned pickup day for your area.

Households with Thursday garbage pickup need to put their items curbside **May 7 and 14**.
Households with Friday garbage pickup need to put their items curbside **May 8 and 15**.

PLEASE NOTE:

- Household hazardous waste and yard waste are NOT included in this bulk day event.
- Bulk collection is for **residential customers only**.
- Items must be placed curbside and **not obstruct sidewalks or roadways**.
- If you live in an apartment, townhome or condo that does not provide curbside service, please contact Waste Pro® directly at [407-774-0800](tel:407-774-0800) to arrange for a large item pickup (fees may apply).

For questions and more information regarding the city's **Annual Bulk Trash Collection Event**, please contact the Natural Resources & Sustainability Department at [407-599-3479](tel:407-599-3479) or Waste Pro at [407-774-0800](tel:407-774-0800).
