## **COMMUNITY MEETING TO DISCUSS MASTER PLAN FOR MLK, JR. PARK**

**WINTER PARK, Fla., an internationally recognized ICMA Excellence Award winner with accredited fire-rescue, police and parks & recreation agencies (April 4, 2017)** – Join the City of Winter Park and GAI Consultants' Community Solutions Group **Tuesday, April 25, at 6 p.m.**, at the Rachel D. Murrah Civic Center located at 1050 W. Morse Blvd., for a public meeting to help shape the future of Martin Luther King, Jr. (MLK) Park. If you currently enjoy the park, may use the park in the future or have an interest in the development of the park, attendance at this meeting would be beneficial.

This is the initial public meeting for the MLK Park master planning process. Park planners and designers will:

- give an overview of the existing site conditions to help attendees understand the opportunities and constraints for development
- identify the public's opinions, wishes and needs for the park's future

This first meeting will focus on the overall park and will *not* include discussions regarding the northwest corner of the park where the future library and events center will be built. The library and events center area of the park will be incorporated into the master planning discussion as it moves forward.
