## **TWO COMMUNITY MEETINGS SCHEDULED TO DISCUSS MASTER PLAN FOR MLK, JR. PARK**

**WINTER PARK, Fla., an internationally recognized ICMA Excellence Award winner with accredited fire-rescue, police and parks & recreation agencies (April 18, 2017)** – The City of Winter Park and GAI Consultants' Community Solutions Group will host **two** public meetings to help shape the future of Martin Luther King, Jr. (MLK) Park. These meetings will be held **Tuesday, April 25**, and also **Tuesday, May 2**, at **6 p.m.** at the **Rachel D. Murrah Civic Center** located at 1050 W. Morse Blvd.

For convenience, both meetings will present the same information, in the event you can only attend one of the scheduled meetings. At each meeting, park planners and designers will:

- give an overview of the existing site conditions to help attendees understand the opportunities and constraints for development
- identify the public's opinions, wishes and needs for the park's future

Both of these meetings will focus on the overall park and will *not* include discussions regarding the northwest corner of the park where the future library and events center will be built. The library and events center area of the park will be incorporated into the master planning discussion as it moves forward.
