DON'T PITCH IT – FIX IT!

WINTER PARK, Fla., an internationally recognized ICMA Excellence

Award winner with accredited fire-rescue, police, and parks & recreation agencies

(April 12, 2017) – The City of Winter Park and Winter Park Public Library will partner to host the very first **“Don't Pitch it, Fix it” Workshop Saturday, May 13, from noon to 4 p.m.,** at Winter Park Public Library located at 460 E. New England Ave.

This unique community event will provide the opportunity for residents to have broken items repaired by skilled volunteers and/or swap items with other members of the community. The workshop is designed to support the city's Sustainability Action Plan by reducing the daily consumption of goods in homes, encouraging recycling, helping to save money through trade, and learning valuable skills and resources from volunteers within the community. Items that may be considered for fixing or swapping include clothing, eye glasses, bicycles, furniture, electronics, tools, fishing poles and much more. Services are subject to change or increase. Please call ahead for complete list.

For more information or to volunteer to fix items, please visit wppl.org or call Jody at 407-623-3300, ext. 122.

For more information regarding the City of Winter Park, please visit the city's official website at cityofwinterpark.org. Like, follow and watch us on [Facebook®](#), [Twitter®](#), [Instagram®](#), [Vimeo®](#), and [YouTube®](#).
