DON'T PITCH IT – FIX IT!

WINTER PARK, Fla., an internationally recognized ICMA Excellence

Award winner with accredited fire-rescue, police, and parks & recreation agencies

(January 9, 2019) – Don't Pitch It – Fix It!, initiated by the City of Winter Park and Winter Park Public Library, is a community repair workshop in partnership with Orange County and the City of Orlando. Winter Park will host their fifth **“Don't Pitch It, Fix It”** workshop **Saturday, February 16**, from **1 to 4 p.m.**, at Winter Park Community Center located at 721 W. New England Ave.

The workshop is designed to support the city's Sustainability Action Plan by reducing the daily consumption of goods in homes, encouraging recycling, providing an opportunity to save money through trade and learning valuable skills and resources from volunteers within the community. Items that may be considered for fixing or swapping include clothing, eye glasses, bicycles, furniture, electronics, tools, fishing poles and much more. Services are subject to change.

For more information, including Orange County and City of Orlando partner events to be held in April, please visit cityofwinterpark.org/dontpitchitfixit.

To volunteer to fix items, please call 407-623-3300, ext. 122.
