

CITY OF WINTER PARK proclamation

National Cybersecurity Awareness Month | October 2026

WHEREAS, the City of Winter Park recognizes that cybersecurity threats evolve in scale and sophistication, posing significant risks to government agencies, critical infrastructure, businesses and individuals; and

WHEREAS, the security and resilience of our information technology infrastructure underpin essential public services, including governmental functions, financial services, telecommunications, transportation, healthcare and emergency response; and

WHEREAS, maintaining cybersecurity is a shared responsibility that requires the awareness, vigilance, and active participation of every employee, contractor, partner and resident; and

WHEREAS, National Cybersecurity Awareness Month provides an opportunity to raise awareness about the importance of cybersecurity, promote best practices, and reinforce our collective commitment to protecting digital assets and public trust; and

WHEREAS, continued investment in cybersecurity training, infrastructure and collaboration between public and private sectors is essential to staying ahead of emerging threats.

NOW, THEREFORE, I, Sheila DeCiccio, by virtue of the authority vested in me as Mayor of the City of Winter Park in the state of Florida, do hereby proclaim the month of **October 2026** as “**National Cybersecurity Awareness Month**” in Winter Park, Florida.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City of Winter Park, Florida, to be affixed this 22nd day of September 2026.

Sheila DeCiccio
Mayor
