## ROAD CLOSURE NOTICE

### Sanitary sewer lining project to close Palmer Avenue

Tuesday, May 30 through Friday, June 16 | 7 p.m. to 7 a.m.

**WINTER PARK, FL, an internationally recognized, award winning city with multiple accredited agencies (May 25, 2023)** Various closures to thru traffic will occur on Palmer Avenue between Park Avenue and Alabama Drive overnight from 7 p.m. to 7 a.m., beginning Tuesday, May 30, through Friday, June 16 (weather permitting). This closure is due to a sanitary sewer pipe lining project that is being conducted by Atlantic Pipe Services. This installation of lining inside the city's existing sanitary sewer system pipes will strengthen and protect the city's underground system from leaks caused by breakage or cracks.

Detour routes will be clearly marked throughout the duration of this project. Driveways and sidewalks may be briefly blocked during this service. Please make plans to allow for additional time if travelling this area during the closure period.

For questions, please contact Matt Blais from Atlantic Pipe Services at [386-262-5145](tel:386-262-5145) or the city's Senior Public Works Inspector Jim Struckmeyer at [407-450-0815](tel:407-450-0815).
