CONSTRUCTION NOTICE

Seven Oaks Park construction to begin January 2024

UPDATE: The closure of Palmetto Avenue and access to the city property will be delayed until Monday, January 2, 2024. Effective Tuesday, December 12, pre-construction activity such as delivery of equipment and materials will begin. This activity will not create any major interruption accessing Palmetto Avenue or the areas historically used by the businesses for parking on the city property.

Construction site map:

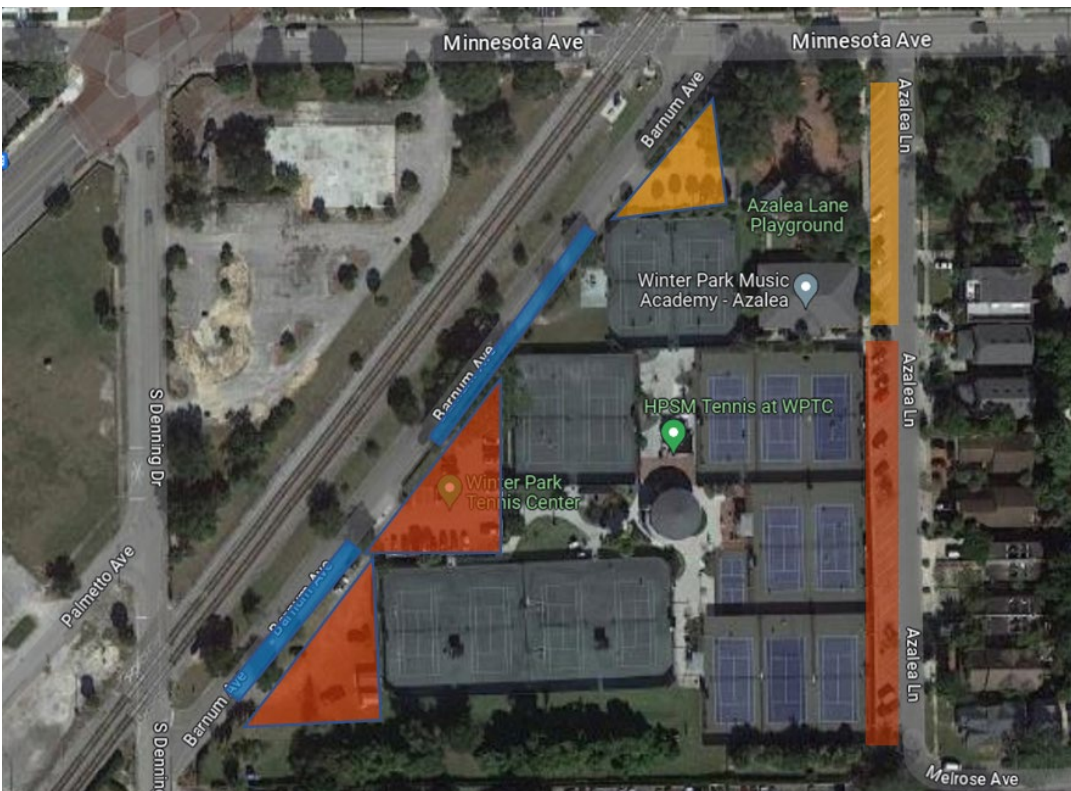

During construction, the city property that was being used for parking will no longer be available. While the city properties being used by area businesses were never intended for public parking, the city realizes this loss of access may create some parking complications. To assist with parking needs, alternate parking will be offered at Mead Botanical Garden as well as the Mead Community Garden/Landscape Division Compound located on South Denning Drive, Monday through Friday; 8 a.m. to 5 p.m., with exception to city holidays. Availability, location and times are subject to change.

Alternate Parking Location Map:

Barnum Avenue On-Street Parking Map:

- Blue: Open parking
- Red: Reserved parking for Winter Park Tennis Center
- Orange: Open parking Monday thru Friday from 8 a.m. to 3 p.m.

Thank you for your patience as the city works to complete construction (weather permitting) by Fall 2024.
