

City of Winter Park Construction Notice

The Water & Wastewater Utilities Department will be repairing a sanitary sewer main at 1550 Gay Road. Work is scheduled to begin Monday, June 2, at 7 a.m., and is anticipated to be completed by Friday, June 6, by 5 p.m. (weather permitting).

The west entrance and parking lot will be closed while the work is being performed. All residents should utilize the east entrance for ingress and egress.

We regret any inconvenience caused by this project. Should you have any questions or require special consideration, please contact Tom Best at **321-303-5230**.
