

## **City of Winter Park Construction Notice**

The Water & Wastewater Utilities Department will be replacing a sanitary sewer manhole on Golfside Drive between Medinah Court and Sawgrass Court. The manhole is located in the center of the road in front of 1336 and 1337 Golfside Drive. Work is scheduled to begin Monday, January 26, at 7:30 a.m., and is anticipated to be completed by Friday, January 30, by 5 p.m. (weather permitting).

Both lanes of the road around the manhole will be closed to through traffic. A detour will be set up to route traffic around the construction zone. Residents south of the work site will have to use Fairway Drive for access and residents north of the work site will use Golfside Drive for access. Any resident that will not have access will be notified prior to work.

We regret any inconvenience caused by this project. Should you have any questions or require special consideration, please contact Tom Best at **407-691-7845**.
