

City of Winter Park Construction Notice

The Public Works Department directing street traffic around contractor's equipment on Bennett Avenue. Work is scheduled to begin Monday, June 22, at 7 a.m., and the work is scheduled to take thirty days to complete (weather permitting).

Please follow direction provided by the on-site flagging personnel. Street parking in the work zone will not be permitted during this work. Vehicles parked in the restricted areas may be subject to towing.

We regret any inconvenience caused by this project. Should you have any questions or require special consideration, please contact Justin Falk at **407-641-6901** or Tyler Kociuruba at **689-323-3483**.
