

## **The City of Winter Park Construction Notice**

The City of Winter Park is performing some construction upgrades and streetscape improvements to Denning Drive between Canton Avenue and Webster Avenue beginning Monday, February 4, 2019.

Traffic will be diverted into two single lanes, northbound and southbound on the existing southbound lanes of Denning Drive.

We anticipate the roadway construction to take two months (weather permitting). Please use alternate routes to avoid construction and traffic delays. Crews will be on-site working Monday thru Friday from 7 a.m. to 5:30 p.m.

If you should have any questions or require special consideration, please contact the City of Winter Park Streets Division at 407-599-3537. Thank you for your patience during this important project.

### **FIELD CONTACT:**

Joe Newman, Street Construction Supervisor
