

The City of Winter Park Construction Notice

The City of Winter Park Streets Division will be installing new bollard bases on New England Avenue between New York and West Park avenues beginning **Tuesday, February 5**. This installation is expected to take three days, weather permitting.

The bollards will be used on Saturday mornings during the Winter Park Farmers' Market and also for other special events that require a street closure in this segment of New England Avenue.

There will be no thru traffic during the installation of the bollard bases and no on-street parking in the work zone. New England Avenue is expected to open for normal traffic by Friday, February 8.

We regret any inconvenience caused by this project. If you have questions or require special considerations, please contact the Streets Division at 407-599-3537.
