

Construction & Road Closure Notice

Pennsylvania & Morse Office Building

On **Wednesday, October 31**, beginning at 5 a.m. to approximately 10 a.m. Vince Smith Construction, LLC will be conducting the fifth of eight (8) concrete pours for the construction of the new office building at Pennsylvania Ave. & Morse Blvd. The remaining three pours will be completed over the next three weeks. At approximately 5:00 AM, on the morning of the pour, Pennsylvania Ave. will be closed for 5-6 hours and residents or travelers of this area will encounter concrete trucks and pump trucks on area roads. Vince Smith Construction will provide a notice to you 3 days prior to each subsequent pour to keep you updated on this project. This work is necessary in order to minimize the disruption to traffic and area roads during the day.

We regret any inconvenience caused by this project. If you have any questions please contact Vince Smith, 407-257-3737, or vince@vsc.build, President, Vince Smith Construction, LLC. Thank you for your patience.
